We look forward to the opportunity to work together again in the future.

Please enjoy the photos included in this special edition. There are many more such beautiful photos & they will be uploaded on to SAIMA website soon.

Are You a Health Care Professional?

Did you know that if you are a medical professional, you may be able to take out a specialised loan to meet your unique needs? This can include those with roles in general and specialist medicine, dentistry, pharmacy, radiology, veterinary services and more. Lenders tend to prefer borrowers in the medical field because of their stable incomes and high job demand, even during economic downturns, meaning they are unlikely to default on the loan. Eligibility criteria for these loans can be strict, so it's important to speak with a mortgage broker you can trust, like Jagdish, to find out your financing options.

The benefits of taking out a Medico loan With a medico loan solution, you may be able to

1. Avoid paying LMI
2. Take out a loan with a lower deposit than usual
